Dear Rich Township Athletic Families,

In earlier communication it was stated that Rich Township Athletics would resume winter sports, November 30<sup>th</sup>. Upon receiving guidance from Governor Pritzker, the Illinois High School Association, and the Illinois Board of Education, Rich Township High School will be pausing all winter sports practices and competitions effective immediately. We will continue to update you as more information becomes available. Please monitor the Athletics section of our website.

Our school district is determined to continue to offer as many athletic opportunities as possible for students, while adhering to safety guidelines passed down to us from the IDPH, ISBE, and IHSA. We are disappointed that we have to pause our programs at this time, but coaches will remain in communication with our athletes virtually, and be ready when we are given clearance to return to in-person practices.

Virtual information can be found by contacting the program coaches.
