

IHSA Sports Medicine Acknowledgement & Consent Form

IHSA Performance-Enhancing Substance Testing Policy

In 2008, the IHSA Board of Directors established the association's Performance-Enhancing Substance (PES) Testing Program. Any student who participates in an IHSA-approved or sanctioned athletic event is subject to PES testing. A full copy of the testing program and other related resources can be accessed on the IHSA Sports Medicine website. Additionally, links to the PES Policy and the association's Banned Drug classes are listed below. School administrators are able to access the necessary resources used for program implementation in the IHSA Schools Center.

IHSA Steroid Testing Policy Consent to Random Testing

As a prerequisite to participation in IHSA athletic activities, we agree that I/our student will not use performance-enhancing substances as defined in the IHSA Performance-Enhancing Substance Testing Program Protocol. We have reviewed the policy and understand that I/our student may be asked to submit to testing for the presence of performance-enhancing substances in my/our student's body either during IHSA state series events or during the school day, and I/our student do/does hereby agree to submit to such testing and analysis by a certified laboratory. We further understand and agree that the results of the performance-enhancing substance testing may be provided to certain individuals in my/our student's high school as specified in the IHSA Performance-Enhancing Substance Testing Program Protocol which is available on the IHSA website at www.IHSA.org. We understand and agree that the results of the performance-enhancing substance testing will be held confidential to the extent required by law. We understand that failure to provide accurate and truthful information could subject me/our student to penalties as determined by IHSA.

A complete list of the current IHSA Banned Substance Classes can be accessed at <http://www.ihsa.org/documents/sportsMedicine/2015-16/2015-16%20IHSA%20Banned%20Drugs.pdf>

Some Examples of IHSA Banned Substances in each class
