

# Rich Township High School District 227

*Visioning Tomorrow...Today...*

Dear Parent(s)/Guardian(s),

As part of our efforts to support, and provide exposure to the curriculum and opportunities to incoming freshmen students matriculating into Rich Township High School District 227, we are providing Ramp-Up with STEM and Robotics Summer Program. This program is structured to expose students to the RTHS 227 Freshmen Curriculum in English, Reading, and Algebra, as well as, additional elective courses and student support services, by applying those skills as part of a Robotics project that connects to College and Career Pathways and Readiness.

Space is limited and students will be accepted on a first come first serve basis at no charge to the family. The program includes transportation to and from school to those students who qualify. Breakfast and lunch will also be provided free of charge. The daily hours are from 8 am – 12 Noon beginning on Monday, June 12<sup>th</sup> and ending with a culminating activity/robotics competition on Saturday, July 1, 2017.

**Program details are as follows:**
