

Rich Township High School District 227 Connect-With-Key WiFi

Rich Township High School District 227 provides wireless network access to all active students, faculty, staff, and authorized guests to use on their personal devices. Users can now log in to the RTHSD227 wireless network using their network user account and password. Users are responsible and must adhere to the [Rich Township High School District 227 Acceptable Use Policy](#).

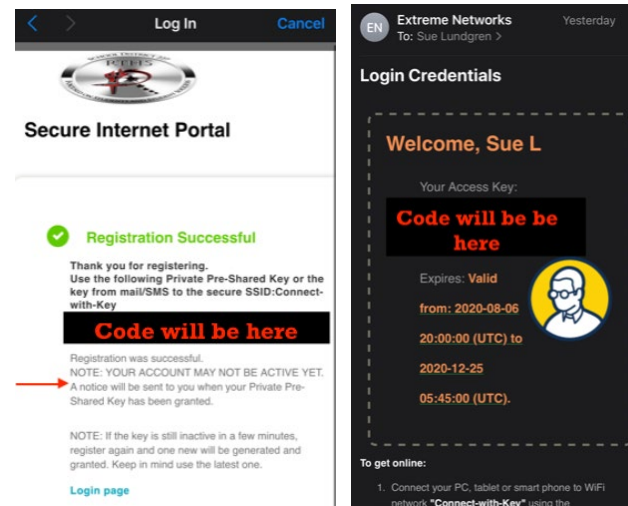

1. From your device, go into your WiFi settings and click **Request-Key**.

2. You will be prompted to enter in your personal information (First/last name, email address, phone number). You will receive an email code so make sure your information is correct!

A screenshot of the 'Secure Internet Portal' registration form. It features the Extreme Networks logo at the top. The form is titled 'Registration' and includes the instruction 'Register to access the network.' Below this are input fields for 'First Name*', 'Last Name*', 'Email*', and 'Phone*'. There is a dropdown menu for 'United States' next to the phone field. A pink 'Register' button is at the bottom.

3. Once you have registered you will receive a code. (If it does not come up on your phone, check your email for a message from Extreme Networks). NOTE: YOUR ACCOUNT MAY NOT BE ACTIVE RIGHT AWAY. A notice will be sent to your email when your private pre-shared key has been granted. If the key is still inactive in a few minutes, register again and a new one will be generated. Use the most recent one.
