

THE RICH TOWNSHIP DISTRICT 227 HIGH SCHOOL EDUCATIONAL FOUNDATION

MISSION STATEMENT

The Rich Township District 227 High School Educational Foundation will disburse resources to expand enrichment programs and opportunities for students of Rich Township High School District 227.

FOUNDATION GOALS

- I. To promote student development by funding activities and or projects that:
 - A. Enhance and expand opportunities for learners.
 - B. Strengthen student readiness for continuing education.
 - C. Support unique initiatives for the enhancement of academic excellence.
 - D. Support unique learning needs that are not associated with the fiscal responsibility of Rich Township High School District 227.
- II. Support unique opportunities for employees' professional growth and development.
- III. To encourage parents and families to support academic excellence.
 - A. Provide resources to enhance parent and family skills in support of academic excellence.
 - B. To promote increased family participation in the education of students.
- IV. To develop school, business and community partnerships that:
 - A. Promote community awareness about the Foundation and educational programs of the School District.
 - B. Provide a vehicle for individuals and organizations to contribute.
 - C. Create cooperative ventures throughout Rich Township High School District 227 schools and community.
