- Looking for work while your children are at school?
- Looking for a part-time flexible working arrangement?
- Looking for approximately 5 hours of work at \$9.00 an hour?

District 227's Food Service Substitute Program hires employees to work five hours a day either for a short or definite period of time. Whenever possible, substitutes are called for the most part between 6:30–8:30 a.m. on the day needed.

As a member of the substitute team you will be available for a member of the permanent Food Service team when a vacant job is posted.

When you decide that you are no longer interested in being an on-call substitute, just let us know and we will remove your name from the list.

It's that simple!
