Re: Technology Plan Approval
Date of Approval: April 30, 2010

Dear Superintendent Hunigan:

Rich THSD 227 (14-016-2270-17) submitted a Technology Integration Plan (TIP) to ISBE on March 1, 2010. This technology plan has been approved and covers the period starting on July 1, 2010 and ending on June 30, 2013. You will find a link to the PDF version of the Peer Review Response Form on your district roadmap at <http://www.iirc.niu.edu/>. Please review this form carefully to ensure that comments and suggestions are addressed prior to or during the annual review of your plan.

This document certifies that the approved technology plan meets the requirements set forth by the Schools and Libraries Division of the Universal Service Administrative Company for the E-Rate program as well as the federal Title II-D Enhancing Education Through Technology (Ed Tech) program. If you have questions, please contact me at 217/557-7323 or by e-mail at fbishop@isbe.net.

Sincerely,

Faith Bishop
Principal Consultant
Curriculum and Instruction Division
