

RICH TOWNSHIP

HIGH SCHOOL DISTRICT 227

BUILDINGS AND GROUNDS DEPARTMENT

March 20, 2020

Dear Parents, Teachers and Staff Members:

On April 13, 2020 Rich Township High School District #227 has authorized Midway Contracting Group, LLC. of Tinley Park, Illinois to remove asbestos containing materials from within the air handling storage room located near the North Gym 100B at Rich Central High School located at 3600 West 203rd Street in Olympia Fields, Illinois 60461.

This work is part of renovations that are scheduled to take place this summer. The area will be closed off and clearly marked with asbestos abatement warning signs. The work will be closely managed, and air monitored by Pepper Environmental Technologies, Inc. of Barrington, Illinois.

We ask for your patience and cooperation throughout the renovation activities while we complete the work.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Baffoe'.

Mr. Kevin Baffoe, CPMM
Director of Building & Grounds
Rich Township High School District #227
