

RICH TOWNSHIP

HIGH SCHOOL DISTRICT 227

BUILDINGS AND GROUNDS DEPARTMENT

NOTICE OF HERBICIDE APPLICATION

4/23/2020

On April 27, 2020 through May 8, 2020 the Rich South High School grounds crew will be applying herbicides and fertilizer on the campus grounds located at 5000 Sauk Trail, Richton Park, Il 60471.

The materials that will be used are for ground herbicide spraying and fertilizing. The material that will be used is a broadleaf non-selective weed control post or pre-emergent herbicide fertilizer and Round-Up.

All Areas that are treated will be properly marked. If you have any questions please contact Kevin Baffoe at the Buildings and Grounds Office at 708-679-6120 or kbaffoe@rich227.org.

Respectfully,

Kevin Baffoe
Director of Buildings and Grounds
