**SICK LEAVE BANK**

*“Every full-time certified teacher of this School District shall be entitled to paid sick leave in the amount of twelve (12) days per school year, which may be taken in not less than half-day units.....”*

*“Teachers may donate one sick leave day each school year to a sick leave bank. Membership in the bank shall be voluntary and shall continue until the Committee administering the bank is notified in writing that the teacher has withdrawn from the plan...”*

I elect to participate in the sick leave bank. I agree to reduce the sick leave I am entitled to by one day which I understand will be transferred to the sick leave bank.
