## What does the 5Essentials survey tell us about the district's learning conditions?

This year, for the first time, Illinois schools piloted an anonymous statewide survey of learning conditions, the 5Essentials Survey. The 5Essentials Survey provided an opportunity for students in grades 6 through 12 and all teachers to share their perspectives on essential conditions for learning. Next year, results from the 2014 survey will appear on the report card in the format below. A detailed report for all schools and districts will also be made available in 2014.

**Effective Leaders** Do principals and teachers implement a shared vision for success?

**Collaborative Teachers** Do teachers collaborate to promote professional growth?

**Supportive Environment** Is the school safe, demanding, and supportive?

**Ambitious Instruction** Are classes challenging and engaging?

**Involved Families** Does the entire staff build strong external relationships?
