About Us

Founded in 1978, Donson Machine is a specialized contract manufacturer of precision machined parts with core competencies in CNC Milling and CNC Turning. Donson takes great pride in its longstanding customer relationships with leaders in medical equipment, orthopedics, industrial automation and food processing equipment.

Why you'll love working at Donson Machine:

Donson has a reputable work culture and environment among its staff members, management, and external partners. Donson is proud to offer employees a competitive salary and benefits package, opportunities for internal promotions and skill development, and a clean and safe workspace. Employees are offered an array of perks including:

- Outstanding BlueCross BlueShield of Illinois medical plans; as well as dental, vision, short- and long-term disability, and company-paid life insurance
- 401(k) options with employer matching
- Paid vacation, holidays, and sick time
