For a list of EyeMed providers near you, visit eyemedvisioncare.com/bcbsil, and log in to Blue Access for MembersSM to find a vision provider.

In addition, you have online, in-network access to contactsdirect.com and glasses.com.

You can also visit eyemedvisioncare.com/bcbsil to find a provider in the Select network, or call 844-684-2254.

Do I need a referral?

You don’t need a referral. Simply visit any EyeMed contracted provider and show your medical ID card to access your vision care benefits and discounts.

Do I need a vision ID card?

As long as you have your BCBSIL medical ID card, you do not need a separate vision ID card. However, if you would like a separate card, you can register online at eyemedvisioncare.com/bcbsil or via the EyeMed mobile app to download and/or print a card. You can also just provide your name and date of birth to your provider.
