As you may know by now, we are preparing for our students to return to full in-person instruction on **Wednesday, August 11**. Many of you can see we are working hard to make our students educational environment a positive experience and as construction continues, we are on pace to transforming our school buildings into state-of-the-art campuses. With the first day of school quickly approaching, families will have two more opportunities to register their students if they were unable to register in June. The district will offer late registration to families on **Tuesday, July 20, and Wednesday, July 21 from 9 am – noon and 12:45 pm – 3 pm** on both days. We look forward to seeing all of our students engaged next month for full in-person instruction.

Summer P-EBT

What is Summer P-EBT?

Summer P-EBT is a continuation of the P-EBT currently being issued to eligible students to provide financial support to eligible students and families to purchase food for children for the summertime. Students and their schools do not need to participate in a summer school program to receive Summer P-EBT, but we encourage students and families to continue to participate in summer meal distribution sites in their area. The [USDA Food Finder](#) is a great resource to locate nearby open meal service sites.

Who is eligible for Summer P-EBT?

Summer P-EBT is for all students enrolled at the end of the 2020 – 2021 school year regardless of if they were eligible for any 2020 – 2021 school year P-EBT benefits that also meet the following criteria:

- Enrolled in a [P-EBT eligible school](#)
- Qualify to receive free or reduced-price meals (meeting socioeconomic requirements) or is enrolled in a Community Eligibility Provision (CEP) school

How much is Summer P-EBT and how will benefits be provided to families?

Summer P-EBT is a standard amount per student equal to approximately 55 summer days, thus the summer P-EBT benefit will be \$375 per eligible student. The Summer P-EBT benefits, should a student qualify, will be loaded on to the existing student specific P-EBT cards issued by DHS this school year.
