Summer P-EBT

What is Summer P-EBT?

Summer P-EBT is a continuation of the P-EBT currently being issued to eligible students to provide financial support to eligible students and families to purchase food for children for the summertime. Students and their schools do not need to participate in a summer school program to receive Summer P-EBT, but we encourage students and families to continue to participate in summer meal distribution sites in their area. The [USDA Food Finder](#) is a great resource to locate nearby open meal service sites.

Who is eligible for Summer P-EBT?

Summer P-EBT is for all students enrolled at the end of the 2020 – 2021 school year regardless of if they were eligible for any 2020 – 2021 school year P-EBT benefits that also meet the following criteria:

- Enrolled in a [P-EBT eligible school](#)
- Qualify to receive free or reduced-price meals (meeting socioeconomic requirements) or is enrolled in a Community Eligibility Provision (CEP) school

How much is Summer P-EBT and how will benefits be provided to families?

Summer P-EBT is a standard amount per student equal to approximately 55 summer days, thus the summer P-EBT benefit will be \$375 per eligible student. The Summer P-EBT benefits, should a student qualify, will be loaded on to the existing student specific P-EBT cards issued by DHS this school year.
