

## Returning Students

We are excited to announce that the online registration portal is now available. The portal will be **open from May 10 - June 4**. All returning 10th, 11th, and 12th grade students will have to complete the online registration. The district has mailed SNAP codes and directions for completing the online registration.

Please complete your online registration as soon as possible because **the portal will close on June 4**. For those families that have been found to have residency or medical non-compliance issues, you will be receiving additional communication on scheduling an in-person registration appointment as well.

We are asking families to schedule exams as soon as possible for any needed immunizations, exams and/or physicals. These documents will be required to complete registration. More information will be shared as it becomes available.

<b>10<sup>th</sup> Grade</b>	Dental exams – if not submitted as a freshman
<b>12<sup>th</sup> Grade</b>	Meningitis vaccine
